

## **Gerard White, President & CEO of Clearwave Corporation Named Member of the Entrepreneur Lab**

*Organization Highlights Leadership Excellence in Atlanta*

ATLANTA - December 16, 2010 - The Entrepreneur Lab just announced Gerard White, CEO of Clearwave Corporation as a One to Watch Entrepreneur in Atlanta. The Entrepreneur Lab was founded in order to highlight Atlanta business leaders who motivate and transform companies in Atlanta.

With 20 years of technology leadership experience, Mr. White guides the team responsible for successfully implementing the company's vision and strategy. Mr. White co-founded the company in 2004 to carry out a vision of technology that spans the healthcare continuum through the creation of a healthcare network and a single patient identifier that allows accurate patient data to be shared regardless of what provider a patient visits.

"We are thrilled to highlight Mr. White as one of Atlanta's great entrepreneurs. His vision for Clearwave and the company culture he has developed within the company is exceptional," stated K. Sue Hurst, Managing Director for The Entrepreneur Lab.

### **About Clearwave**

Clearwave is a premier network provider in Patient Information Exchange software. Clearwave's Patient Information Exchange integrates with healthcare providers' existing systems and processes to verify patient demographics, insurance and payment information, resulting in improved cash flow and administrative processes while enhancing the patient experience.
